Referenced Bureau airtel states that "...The Department, in connection with efforts to develop a prosecutive theory against the BPP for the violation of security statutes, has previously requested this Bureau to develop evidence regarding documents of the BPP which urge its revolutionary doctrines and to also develop evidence showing a cohesion or unity between national headquarters of the BPP and its chapters and affiliates.

"Information regarding the shipment of BPP newspapers and other publications falls within the above categories and it is essential that every effort is made to develop full and complete details concerning such shipments. This should include not only the ascertaining of information contained on shipping papers and invoices but; whenever possible through established sources, the confirmation of exactly what is included in the shipment.

"It is anticipated that in the event of prosecution of the BPP, it may be extremely important to be able to conclusively prove that a specific BPP publication containing revolutionary doctrines was in fact shipped by the BPP to various BPP members and/or supporters. Accordingly, it is essential that this Bureau develop evidence of this nature in order to support possible prosecution of the BPP..."

San Francisco does not desire an answer to this communication. Information that is developed concerning instant shipment should be made a matter of record and included in your next BPP report and/or any other appropriate communication.

Paleigh, North Carolina, possibly from Shaw University, will go to the Convention. During the meeting LARRY LITTLE, of the Winston-Salem BPP group, mentioned that the Convention is supposed to be held at Howard University, Washington. D. C., however, the university administration has not definitely given permission.

Chapel Hill, advised that he had observed CLINT PYNE at the meeting at UNC, Chapel Hill, on the night of November 9, 1970, and on November 20, 1970, advised that he observed forty to fifty "hippie types" meeting at one corner of Memorial Hall under the leadership of JOHN WHEELER. PYNE was present, however, WHEELER was furnishing the group information about the Revolutionary People's Constitutional Convention such as, where to stay, arrangements for food, transportation, and so forth.

Characterizations of RPP and Venceremos Brigade are attached as appendices to this memorandum.

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces...are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

APPENDIX

VENCEREMOS BRIGADE

The Venceremos Brigade (VB) has been publicly described as a group of American volunteers traveling to Cuba, at the invitation of the Cuban Government, to assist in the harvesting of sugar cane.

The VB, organized in June, 1969, by a coalition of the New Left in open deriance of the United States Department of State ban on travel to Cuba, has already sponsored two contingents to Cuba. One group of over 200 Americans traveled to Cuba via Mexico in November - December, 1969, for a stay of almost two months. The second group of over 500 Americans departed by Cubah vessel at St. John's, New Brunswick, Canada, on February 13, 1970, and returned on April 28, 1970.

Venceremos translated means "we will win," a slogan of the late the Guevera, Cuban revolutionary leader.

traveling to High Point, Chapel Hill, Fayetteville and Charlotte, North Carolina, returning to Winston-Salem, North Carolina, on October 22, 1970. The reason for the trip was to gain support for the Revolutionary Peoples Constitutional Convention (RPCC). During their travels, they visited the University of North Carolina at Chapel Hill and Johnson C. Smith University at Charlotte, North Carolina. According to these individuals indicated that permanent information centers were set up in the Fayetteville-Lumberton, North Carolina, area to support the convention.

Charlotte, North Carolina, advised that around 6 P.M. in the evenings of October 20 and 21, 1970, a 1965 Chevrolet bearing North Carolina License registered to

five or six white students who apparently had printed the leaflets.

"The Daily Tar Heel," a student newspaper of the University of North Carolina (UNC) at Chapel Hill, North Carolina, in its issue of November 8, 1970, contained an article under the caption, "Revolutionaries Meet Monday," which article sets forth that an organizational meeting to interest students and Chapel Hill residents in attending the RPCC will be held at 9 P.M., Monday in Room 202 of the Carolina Union. The article states the meeting is sponsored by the Radical Coalition which is composed of the New University Conference, Students for a Democratic Society and the Young Socialist Alliance, with the meeting called by JOHN/WHEELER, former graduate student of UNC.

Salem, North Carolina, the members of the Black Panther Party group are going out in the streets trying to sign up people to attend the RPCC, and at the present time approximately 250 people have indicated an interest. The BPP members are advising everyone that all expenses will be paid, however, had no information that the BPP group had either money or transportation arranged for these individuals.

On November 12, 1970, reported that on November 9, 1970, a meeting was held at the Student Union at UNC, Chapel Hill, North Carolina. Seventy-five to 100 people were present with only about 20 in attendance being black. CLINT PYNE was in charge of the meeting and identified himself as a White Panther Party (WPP) member. PYNE stated that he and JOHN (IAST NAME UNKNOWN) had been to Cuba within the past year to cut sugar cane. Most of the discussion at this meeting consisted of plans of the students to go to the RPCC to be held in Washington, D. C. It was mentioned that there would possibly be two bus loads from Chapel Hill who would travel to Washington, D. C. In addition, a number of students from

Raleigh, North Carolina, possibly from Shaw University, will go to the Convention. During the meeting LARRY LITTLE, of the Winston-Salem BPP group, mentioned that the Convention is supposed to be held at Howard University, Washington, D. C., however, the University administration has not definitely given permission.

Chapel Hill, North Carolina, advised that he had observed CLINT PYNE at the meeting at UNC, Chapel Hill, North Carolina, on the night of November 9, 1970, and on November 20, 1970, advised that he observed 40 to 50 "hippie types" meeting at one corner of Memorial Hall under the leadership of JOHN WHEELER. PYNE was present, however, WHEELER was furnishing the group information about the RFCC such as, where to stay, arrangements for tood, transportation, and so forth.

The meeting disbanded at that time and during the early morning hours of October 30, 1970, gun fire was directed at the building housing the Urban Redevelopment Commission, a privately owned house, which fire was returned by two Negro custodians. Shortly thereafter police arrived and 3 Negro males were seized, one of whom was carrying a 30.30 caliber rifle.

The reason for the disturbance was the BPF members were demanding a vacant building be provided for the Breakfast for Children Program.

SOUTHERN CITY OF RACIST EXPLOITATION AND OPPRESSION

shanties have been standing since slavery

A new constitution is in order because these people, like millions upon millions throughout the United States, are the constant victims of this criminal UnitedStates Government. Babylonian ruling class criminals that use an illegal document called the U.S. Constitution to justify their illicit acts against the masses of people within the confines of Babylon, The present constitution states that every citizen has the right to life, liberty, and the pursuit of happiness. Yet, as we survey the situation in Lumberton, N.C. we see avaricious businessmen that exploit the people from the stand-point of their labor and on the other end as consumers.

Goodyear Rubber Company. which is a company conceived out of economical exploitation domestically and internationally, has a plant in Lumberton, Burlington Mills, another product of U.S. imperialism also located one of its plants in Lumberton. These two industries of exploitation on an international level continue to reap enormous profits by hooking up with the government, (Industrial-Military Complex), and exploiting the people of Lumberton. The government and these two industries have signed delense contracts. The industries provide rubber footfit for the shelter of human beings. The city is divided by a bridge that runs across a large creek that runs through the city. White people live on one side in good houses, with paved clean streets, and rolling green lawns. In nigger town the streets are made of mud and the houses are nothing more than propped up shanties that have been standing since the days of old slavery. The houses are lo-

move on this problem right away and lets broken sewer lines empty defecation into the Black community. Children in the Black community have to walk three to five miles across busy highways to get to the only available recreation. There are numerous bootleggers throughout the Black community where brothers and sisters go to drink whiskey to attempt to relieve some of the frustrations and pressures of their every day struggle to survive.

The pigs of Lumberton worked no longer than to 2:00 a.m., then all of them go home. They have the niggers in such a state of disillusionment that they don't even find it necessary to maintain all night surveillance on the Black community. The only time niggers run into the pigs is when they have gotten drunk and the pigs come to arrest them. If a brother or sister offers resistance of any kind the pigs immediately send them off to Dorothy Dix, a mental institution for the insane. The pigs do this without even allowing the people a trial, there is no such thing as due process of law. The pigs do this without any pretense, they blatantly violate the supposed constitutional rights of the people

cated in almost inaccessible places

ware, army fatigues, underwear and sandbags among other things for an imperialistic army. Fort Bragg, and Camp Lejuene, two military installations, are close in distance to Lumberton.

Despite their astronomical profits, these two industries see fit to pay their employees a bare minimum wage of \$1.60 an hour, while at the same time pulling in millions. No matter how much the people increase production, they never receive any of the benefits of the fruits of their labor. Little racist farmers also exploit the people that work on their tobacco and cotton plantations. These racist farmers steal land from the people with the aid of state level, bigoted, politicians and pay them little or nothing for their labor.

Housing for Black people is not

back doors through an overgrown field that looks like a jungle. Wood and coal serve as fuel for cook-

ing and keeping warm when the freeze of winter rolls around. The government came into the community about a year ago with a jive urban renewal program (Nigger Removal). They brought a number of dilapidated shacks that still have the toilet on the outside of the house in the backyard. It has been more than a year since these houses were purchased from racist slumlards, but the people continue to live in them because they have no other place to go.

Foul smelling sewage stifles the community as it flows from the White community into the Black community. The city refuses to

One case in particular concerns brother Sam Williamson, Brother Sam was arrested for public druckenness. The pigs tried to brutalize Sam at the pig pen but Sam resisted to the point that he jammed four pigs pretty good. The pigs, with their warped mentalities, called Sam an insane nigger and sent him to Dorothy Dix for 60 days, without him ever going to trial. At the time of his arrest, Sam was driving a 1969 car. When Brother Sain was finally released from the mental institution after serving his time, the pigs had sold his car and said they knew nothing of the car.

There are some niggers, brothers and sisters, in Lumberton that have said, "enough is enough," we've come to the end of the road; no more can we bear this heavy load. They realize for Black people, especially in Lumberton, that life, liberty and the pursuit of happiness is nonexistent. They realize that instead the masses are plagued by misery, hurger, and the pursuit of fascist dog pigs.

In recognizing their plight these brothers and sisters have vowed to mobilize the people of Lumberton, N.C., and get to the Revolutionary People's Constitutional Convention to write a document that will guarantee all people their human—rights—and assure them justice and peace from all reactionary elements of this decadent American society.

FASCISM AT CENTRAL HIGH SCHOOL

Malcolm said, "If George Washington didn't get Independence for
this country nonviolently and if

patriots and heroes then its time
for you to realize that I have

The school faculty at High Point Central High School is very rucist. It all started at the beginning of the school year when brothers and sisters were trying to politically educate the students to the fact that they should be able to learn their true history and should be able to choose their own curriculum. They had been opposed in their efforts to get the curriculum they wanted by dog Jerry Shoavers the principal. Larry Medley, one of the brothers, trying teinitiate thechange was approached and threatened by pig Shoavers, he was told that if he continued to try to politically educate the Black students, he would be thrown out of school. But this did not dis-

thers (George Dewitt and William Douglass), went to the office to talk to the principal about the crap that he was handing down. Their rap to the fool about getting Black studies was so strong that the principal called them Black Ponthers. After seeing that he couldn't stop them, he moved to kick me. 1 out of school on trumped up charges. After the brothers were kicked out, a bootlicking guidance counselor told George that he should go to law school to become a lawyer, because he was a "heavyrapper". After the brothers were told to Jeave the school grounds, pig Shoavers had the Chief of the Pigs (Prichett) to follow them around like dogs; the excuse for this action was suspicion of them being Black Panthers. How can they be Panthers, when there are no Panthers in High Point?

he was told that if he continued to try to politically educate the Black harassed and intimidated the you rise up a students, he would be thrown out of school. But this did not disget information on the brothers to see if they really were Black Pankles thers. One of the brothers who incident Larry and two other brophies. So pigs, Shoavers and Prichett, will you let Shoavers and Prichett,

harassed by Prichett and the brother had to stop playing football. The brother is now planning to leave the school.

Shoaver's true fascist colors showed through once again by intimidating and harassing two sisters. The day before Dora and NeNe were expelled, Shoaver called Dora into his office and questioned her about her political beliefs. They were asked questions such as "Do you believe in the Panthers, What do you have to do bad to become a Panther, Are Larry and George Panthers, Why does your mother let Larry drive her car? etc.

This dog has been intimidating other students in the same manner asking them questions about Larry, George, Dora and NeNe, they are also threatening to put the students out of school if they don't answer. People! How many more students will you let Shoaver put out before you rise up and see justice done? The next persoa could be you.

PIG RESPONSIBLE FOR DEATH OF 15 YEAR OLD BROTHER

Early Saturday morning about :00 a.m. a 15 year old brother, dan "Snake" Dendy, was fatally rounded by an unknown assailant. in ambulance was called, but didn't rrive until about 1:30 a.m. When he ambulance finally arrived they refused to give the brother medcal attention and refused to take im to a hospital. The brother vas lying in the ditch breathing tery hard which was a clear inditation that he was still alive, but still the ambulance attendants reused to remove the brother from the street, let alone give him medical attention. The pigs were first to arrive on the scene, about 10 tarloads of the low natured dogs. Instead of their taking brother "Snake" to the hospital or giving him medical attention, they swarmed through the crowd that had gathered asking questions and harassing brothers as they always

The people who were around the brother attempted to give the brother some attention, but their attempt was in vain. The foul traducers ordered the people to get back away from the brother. The racist ambulance attendants were simply standing around scratching their thick heads talking to one

another while brother "Snake" was nearing his death.

At the end of this time, which was about two hours, brother "Snake" was no longer breathing. Finally noticing the brother the fascist swine and the racist ambulance attendants went over and covered the brother with a sheet. The people asked them way did they refuse to move the brother until he was dead the pigs oinked as they had before; "We didn't have permission to move him." This is just another clear example for the people. The racist op pressors and their running dogs are waging an all out mass genocide against all poor and oppressed people in particular, All poor and oppressed people have no rights that the exploiting oppressors are bound to acknowledge or respect.

THE PEOPLE WILL WHAT IS NECESSARY TO PIG AGGRESSION STOP

The people of the Winston-Salem community are beginning to see the methods of the fascist pigs and their attempts to hurass and destroy the National Committee to Combat Fascism. By carrying two of the brothers; Brother George and Brother Grady, servants of the community down to their pig pen, Sunday, October 25, for of all things "putting up pos-

tere" in our community, Now Brothers and Sisters get this! When we see that the capitalist of the music industry flood our community, "each week" with posters of rock and roll shows and dances it appears to be alright, but for the Brothers of the National Committee to Combat Fascism It's a crime.

There seems to be a bit of contradiction, one-sideness, and inconsistency here. The only crime the Brothers committed was to be members of the Vanguard Party which teaches the oppressed masses the correct procedure of resistance to the oppressive power structure.

resting the brothers. Taking all States. the cash for bail bonds, so they will not have funds to continue programs like Free Breakfast for thungry children in the community. The people of the community will not permit this. Because the people of Winston-Salem are beginning to relate to the N.C.C.F. the Free ' Breakfast Program and all other programs are

the peoples programs. The people will do what is necessary to stop these acts of aggression by the aggressive pigs of Winston-Salemi

The Minister of Defense of the Black Panther Party, Huey P. Newton, teaches the people that community control of pigs is the answer to ending pig brutality in our communities. And we will gain community control of police by

implementing this ourselves, and dispense of pigs who occupy our community like a foreign troop. The pigs are not in our community to help us, they are not in our community to protect us, they are not in our community to serve us, in fact they do a disservice to us. So why are they here? To oppress

The Minister of Diense of the Black Panther Party also teaches the people the only way to get community control is to get political power. And political power grows out of the barrel of a gun. So what is clearly needed is the immediate implementation of Huey P. Newton's plea to arm yourself The pigs of Winston-Salem try against the racist, and fascist atto drain the funds of the N.C.C.F. tacks of the gestapo pig force of by constantly harassing and ar- Winston-Salem and the United

Point No. 3 of the filec's Panther Party's 10 Point Platform and 1 togram states "We want an end to the robbery by the capitalists of our Flick communities." This is necessary because the pig capitalist drain our communities of money and then neglect the welfare of the people in the community.

In Vinaton-Salem neveral racist businesenien and some nigger lockeys refuse to support the Free Breakfast Program. These pigs give tots of jive reasons such as "we should look to the lord for things we need" and "really we ain't making no money." Some even meet the people servants with open contempt, saying that they will never support the Black Panther Party because the Panthers are trying to overthrow the government and the system that they love, These statements should educate the people to the fact that these pigs never will think anything of them.

These avaricious pigs of Winston-Salem ignore the fact that the parents of the kids that we

WE FIND THE SLUMLORDS OUTLITY OF GENOCIDE

Miles, had made the recessary repairs on the house. The house where brother Suber 1993 with his wife and 5 children and some faulty wiring and a gas le dage which could have easily been repaired. Because slumford Miles neglected to make the necessary repairs, the house was hazardous to the occupants.

It is well known throughout the Clack community of Winston-Selem that C.W. Miles is a racist and avaricious slumlerd who often neglects the needs and demands of his tenants. Prother Suber's family had repeatedly asked pig Miles to repair their home. Each time he

report that the house was in perfect condition, and leave. There is concrete evidence that the fire was a gas fire because within two minutes after the fire was spotted there was an explosion and flames erupted everywhere. The house was destroyed, however the pig department says that "they" haven't yet found out why the fire started.

When brother Suber's wife asked slumlord kliles if he could let them stay in one of his other houses until they got themselves together he told them that he didn't have any place for them at all. As a result of the fire Ernest Suber's wife, Berbara, new has no home and 5 fatherless children. Slumlords like Miles should, be dealt with because when they deny the people decent housing and a brother dies because of their neglect, they are guilty of

genocide. The fascist pig power structure of Babylon makes things easy for slumfords like Miles because they recognize and endorse this form of genocide. We need laws that will punish slumfords and other pigs for their ill practices on the people. This definitely shows the need for a Revolutionary People's constitution. Poor and oppressed people and Black people in particular have no laws that are relevant to them in today's decadent society.

The people of Winston-Salem and all the people of Babylon find C.W. Miles and other slumlords guilty of genocide and the sentence is..

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP, the BPP was started during December 1980 in Oakland, California, to organize black people so they can take control of the life politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the EPF newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces. are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all manking, the racist U.S. government."

The BPP Readquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP have been established in various locations in the USA.

THE RESERVE OF THE PARTY OF THE

VENCEREMOS BRIGADE

The Venceremos Brigade (VR) has been publicly described as a group of American volunteers traveling to Cuba, at the invitation of the Cuban Government, to assist in the harvesting of sugar cane.

The VB, organized in June, 1969, by a coalition of the New Left in open defiance of the United States Department of State ban on travel to Cuba, has already sponsored two contingents to Cuba. One group of over 200 Americans traveled to Cuba via Mexico in November - December, 1969, for a stay of almost two months. The second group of over 500 Americans departed by Cuban vessel at St. John's, New Brunswick, Canada, on February 13, 1970, and returned on April 28, 1970.

Venceremos translated means "we will win," a slogan of the late Che Guevera, Cuban revolutionary leader.

THE RELEASE OF THE PARTY OF THE

YOUNG SOCIALIST ALLIANCE UNIVERSITY OF NORTH CAROLINA CHAPTER

The "Daily Tar Heel," student newspaper published at the University of North Carolina (UNC), Chapel Hill, North Carolina, on November 7, 1968, published an article stating that the Young Socialist Alliance (YSA) would hold its first organizational meeting on November 7, 1968, at the University of North Carolina.

On February 20, 1969, a source advised the Young Socialist Alliance National Executive Committee meeting on February 4, 1969, at New York City, approved the creation of a local Young Socialist Alliance at Chapel Hill, North Carolina.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as presently regarded, came into being at a founding convention held June, 1962. at Port Huron, Michigan. From an initial posture of "participatory democracy" the line of the national leadership has revealed a growing Marxist-Leninist adherence which currently calls for the building of a revolutionary youth movement. Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam War stance to an advocacy of a militant anti-imperialist position. China, Vietnam, and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969. SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street, Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding Castro's position that the duty of revolutionaries, adventuristic, elitist faction which denies the historical role of the working class as the base for revolution. RYM II maintains that revolution, although desired, is not possible under present conditions, hence emphasizes organizing and raising the political consciousness of the working class upon whom they feel successful revolution depends. Although disclaiming control and domination by the Communist Party, USA, leaders in these two factions have in the past proclaimed themselves to be communists and to follow the precepts of a Marxist-Leninist philosophy, along pro-Chinese communist lines.

A second source has advised that the PLP faction which is more commonly known as the Worker Student Alliance is dominated and controlled by members of the PLP, who are required to identify themselves with the Pro-Chinese Marxist-Leninist philosophy of the PLP. They advocate that an alliance between workers and students is vital to the bringing about of a revolution in the United States.

SDS regions and university and college chapters, although operating under the outlines of the SDS National Constitution, are autonomous in nature and free to carry out independent policy reflective of local conditions. Because of this autonomy internal struggles reflecting the major factional interests of SDS have occurred at the chapter level since the beginning of the 1969-70 school year.

A characterization of PLP is attached.

PROGRESSIVE LABOR PARTY (PLP)

"The New York Times" city edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP which has been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962 by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's over-all revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention Milton Rosen was unanimously re-elected National Chairman of the PLP and Levi Laub. Fred Terome, Jared Israel, William Epton. Jacob Rosen, Jeffrey Gordon and Walter Linder were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor" a bi-monthly magazine; "World Revolution", a quarterly periodical; and "Challenge-Desafio" a monthly newspaper.

The April, 1969, issue of "Challenge, Desafio" sets forth that "Challenge is dedicated to the people's fight for a new way of life--where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them "

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn New York, and also utilizes an office in Room 617, 1 Union Square West, New York New York.

Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam War stance to an advocacy of a militant anti-imperialist position. China, Vietnam, and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969. SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street. Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding Castro's position that the duty of revolutionaries, adventuristic, elitist faction which denies the historical role of the working class as the base for revolution. RYM II maintains that revolution, although desired, is not possible under present conditions, hence emphasizes organizing and raising the political consciousness of the working class upon whom they feel successful revolution depends. Although disclaiming control and domination by the Communist Party, USA, leaders in these two factions have in the past proclaimed themselves to be communists and to follow the precepts of a Marxist-Leninist philosophy, along pro-Chinese communist lines.

A second source has advised that the PLP faction which is more commonly known as the Worker Student Alliance is dominated and controlled by members of the PLP, who are required to identify themselves with the Pro-Chinese Marxist-Leninist philosophy of the PLP. They advocate that an alliance between workers and students is vital to the bringing about of a revolution in the United States.

SDS regions and university and college chapters, although operating under the outlines of the SDS National Constitution, are autonomous in nature and free to carry out independent policy reflective of local conditions. Because of this autonomy internal struggles reflecting the major factional interests of SDS have occurred at the chapter level since the beginning of the 1969-70 school year.

A characterization of PLP is attached.

PROGRESSIVE LABOR PARTY (PLP)

"The New York Times" city edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP which has been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962 by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City. May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's over-all revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention Milton Rosen was unanimously re-elected National Chairman of the PLP and Levi Laub. Fred Terome, Jared Israel, William Epton. Jacob Rosen, Jeffrey Gordon and Walter Linder were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor" a bi-monthly magazine; "World Revolution", a quarterly periodical; and "Challenge-Desafio", a monthly newspaper.

The April, 1969, issue of "Challenge Desafio" sets forth that "Challenge is dedicated to the people's fight for a new way of life--where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them."

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York New York.

YOUNG SOCIALIST ALLIANCE UNIVERSITY OF NORTH CAROLINA CHAPTER

The "Daily Tar Heel," student newspaper published at the University of North Carolina (UNC), Chapel Hill, North Carolina, on November 7, 1968, published an article stating that the Young Socialist Alliance (YSA) would hold its first organizational meeting on November 7, 1968, at the University of North Carolina.

On February 20, 1969, a source advised the Young Socialist Alliance National Executive Committee meeting on February 4, 1969, at New York City, approved the creation of a local Young Socialist Alliance at Chapel Hill, North Carolina.

RE: REVOLUTIONARY PEOFIES CONSTITUTIONAL CONVENTION

four individuals from Raleigh, North Carolina, including two from Shaw University, were to travel to Winston-Salem, North Carolina, and join a larger group who plan to travel to Washington, D. C. The reason for this trip is to attend meetings finalizing the plans for the Revolutionary Peoples Constitutional Convention.

Salem National Committee to Combat Fascism is now considering the rental of buses for travel of their group to attend the Revolutionary Peoples Constitutional Convention; however, the exact plans or the identities of the individuals to attend are unknown

On Movember 6, 1970.

reported there had been no additional information indicating members of the Winston-Salem National Committee to Combat Fascism have been in Charlotte organizing for the Revolutionary Peoples Constitutional Convention.

A characterization of the Black Panther Party is attached as an appendix to this memorandum.

BLACK PANTHER PARTY (BPP), also known as Black Panther Party for Self-Defense

According to the official newspaper of the BPP. the BPP was started during December 1966 in Oakland, California, to organize black people so they can take control of the life. politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere, Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is...by taking up arms against this government, killing the officials, until the reactionary forces... are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.
